Contribution Structure for the National Capital Mikvah

1.) Annual membership, i.e. standard yearly contribution - \$250

This contributes toward a membership status for the year and is meant for a woman who intends to use the mikvah on a regular basis – it entitles her to use the mikvah for the year without paying the per use fee.

Due to changes in tax law this membership fee is not tax deductible. Please refer to the membership form on the reverse.

2.) Other Donations

Because of the vital role of the mikvah in our community, we hope that you will consider donating at a level above the annual membership fee. A tax-deductible donation helps to keep the mikvah safe, beautiful, and comfortable for its users.

Please consider supporting the National Capital Mikvah when you plan your end-of-year giving.

Please fill out the membership form on the reverse and return it to the National Capital Mikvah.

Thank you for your ongoing support and commitment.
